## ***DRAG RACE DISCLAIMER***

The rules, regulations and procedures set forth by the race officials are to provide for the orderly conduct of racing events and to establish minimum acceptable requirements for such events. These rules, regulations and procedures shall govern the condition of all events, and by participating in these events, I, as a registrant agree to comply. I also agree that there is NO EXPRESS OR IMPLIED WARRANTY OR SAFETY SHALL RESULT FROM PUBLICATIONS OF OR COMPLIANCE WITH THE RULES, REGULATIONS AND THE RACE PROCEDURES ENFORCED AT THE EVENT.

Every registrant and driver should inspect the racing surface and the race track to learn of any defects, obstructions, or anything, which, in their opinion, is unsafe and they shall report that condition in writing to the speedway management. Any registrant or driver entering a race event is considered to have inspected the track and all conditions are satisfactory and acceptable to them. If not, they should not compete. The registrant further indicates that they are aware that drag racing involves risk and assumes the risks with full awareness and knowledge.

Any registrant or driver who wishes to compete during an event, consents to the use of their name, pictures of themselves and their car, video of themselves and their car, for publicity, advertising and endorsements both before and after events, and relinquishes any rights to photos or videos taken in connection with events and consents to publication or sale of such photos as the speedway so desires.

I have read and fully accept the conditions of release in the above statement.
